Interactions:
DBPs and Collaborations
DPB’s at the Core of CIBC

CIBC Research and Software Pipeline

Driving Biological Projects

Biomedical Researchers and Clinicians
DBP Model

Cone of Influence

- Primary Collaborator
- Secondary collaborators
- Related scientific community (service)

Breadth of Impact
DBP Lifecycle

Initial Discussion
Evaluation of Need/Match
Preparation of Proposal
Evaluation of Proposal

Implementation & Evaluation

External Funding
Maintenance & Service

Concept and Specification
Research and Development
Completion
Collaboration Groups

Cardiac Arrhythmias
Collaboration Groups

DBP Partners

Collaborators

Service Partners

Cardiac Arrhythmias

NeuroModulation

DBP Partners

Collaborators
